Report on 'Yoga and Art of Living 2018-19

The course of Yoga and Art of Living was conducted successfully by Govtcollege of pharmacy, Amravati during the period of 1 August 2018 to 10 August 2018. Each day, the sessions for two hours were conducted. The students, faculties, & other office members participated with enthusiasm this activity. There were more than 100 participants involved.

Yoga trainer from art of living has demonstrated various 'Asanas' of yoga to promote and inculcate this traditional practice for healthy mind and body.

Dr. Sadhana Borkhade, Medical Officer, delivered a very enlightening lecture on impact of different Yogic practices on the physiology of human body. He quoted several scientific studies to establish that yoga practices help in reducing high blood pressure, providing relief from back pain and neck pain, reducing the stress level, and increasing the concentration of mind and the coordination of body and mind.

Various 'Asanas' were learnt by the participants in the sessions, of this ten-day programme. The sessions also included practice of Pranayama breathing technique and meditation as effective techniques to release stress.

All the participants of the programme conveyed the satisfaction about the programme and the effects of the programme they felt in their day to day life.

Soft Skill- Build New Skills 2017-18

Report on Build New Skills 2017-2018

A course on soft skill development 'Build New skill's ws organized at Government College of Pharamcy, Amravati in collaboration with PharmaExcel, Amavati. The aim and objective of the course was to create students who possess the soft skills expected for future. Mr. AsifMansuri and his conducted this there-day course for the final ear B.Pharm students on 1, 2 and 3 March 2018.

- Day1:
- 1) What are soft skills
 - 2) Why Are Soft Skills Important?
 - 3) Understanding Oneself
 - 4) Activity to Understanding Oneself
- Day 2:
- 1) Communication: Ways and barriers
 - 2) Self-Motivation
 - 3) Team work and flexibility
 - 4) Activity of team building
- Day 3:
- 1) How to improve soft skills
 - 2) How to write resume reflecting soft skills
 - 3) How to face interview
 - 4) Role palying activity

The students understood the meaning of soft skills, need for development of soft askill and their importance along with technical skills to built a professional career. The understanding of the concepts through the activities made them realize how everyday interaction and communication among the peers can be understood and made beter for better performance and harmony.The misconception of marketing means only sales/medical represnatative job was removed. The students understood the cocept of branding, brand management and also understood various avenues possible to make a creer in phrma marketing.

Chief Resource Person:

MR. AsifMansuri, Director of PharmaExcel, has rich professional experience with core competencies as portfolio management, strategic planning business development, training brand management, scientific orientation. He gained this experience of about 18 years in number of pharmaceutical organizations as Galenic, Wockhardt, Alembic, Wallace and Concept.

Subject: Invitation to conduct the program for students of the institute.

Dear Sir

This is with reference to above mentioned subject and as per our conversation; we would like to invite you to conduct the program/workshop for the students of our institute on the theme "Brand Management in Pharma Marketing". Taking into consideration your vast experience and expertise in field of skill development and marketing, we are sure that the students will definitely be benefited.
