handover the research work under taken by this MOU between the parties, with any third party without prior permission of the Company and only after making good the loss suffered by the Company in this behalf.

19. Force Majeure:

Neither party shall be liable for any failure or delay in performance under this Agreement (other than for delay in the payment of money due and payable hereunder) to the extent said failures or delays are proximately caused by causes beyond that party's reasonable control and occurring without its fault or negligence, including, without limitation, Government restrictions (including the denial or cancellation of any export or other necessary license), wars, pandemic diseases, insurrections and/or any other cause beyond the reasonable control of the party whose performance is affected. As a condition to the claim of nonliability, the party experiencing the difficulty shall give the other prompt written notice, with full details following the occurrence of the cause relied upon. Dates by which performance obligations are scheduled to be met will be negotiated between the parties.

20. Entirety:

This MOU contains the entire agreement between the parties and supersedes any prior or inconsistent agreements, negotiations, representations and promises, written or oral between the parties respecting the subject matter hereof. Except as specifically allowed in this MOU, no modification to this agreement nor any failure or delay in enforcing any term or exercising any option or requiring performance shall be binding or construed as a waiver unless agreed to in writing by the all involved organizations.

21. Obligations of the Company:

The Company shall obtain and keep valid all applicable authorized, consents, approvals, licenses, and clearance that are necessary for the performance of its obligations set out in this MOU. Further, the Company will be solely responsible for any ill effects of the product due to human consumption including for the claims and damage. The college will neither be responsible for the quality parameters of the products nor for its ill effects including for claims and damages.
